

A.O.C.B.

A waterplane event was suggested. It was left to the committee to investigate the possibility of Loch Muick or elsewhere and report back.

George Whelan asked if a power winch could be made regularly available - see note above.

Tom McPherson asked if details of BARCS could be provided (see page4).

Norrie suggested that more information be placed in the model shop for potential members and beginners. Perhaps a handout would be appropriate.

Interest was expressed in a possible power site to the east of Brimmond. It was agreed that the committee would investigate.

WORD SEARCH - GLIDING

Contained in the wordsearch below are twenty words to do with gliding. The words are placed horizontally, vertically, diagonally and back to front. The first word 'frequency' has been found for you.

Three prizes of 'free ADS membership for 1986' are to given to the first three correct entries returned to Graham Philip at 112, Forest Park, Stonehaven.
